## Excavator Buckets, General Purpose Buckets & Front-End Loader Buckets

With over 25 years of experience in the bucket and attachment business, SRS offers the best quality product in the field.

We are a leading manufacturer of new buckets known as GP buckets, Gummy buckets, Digging buckets or Trenching buckets.

Our high-quality buckets are manufactured for all types of machines available in Southern Africa, including popular brands such as Airman, Bobcat, Case, Caterpillar, Doosan, Hitachi, Hyundai, JCB, John Deere, Kobelco, Komatsu, Kubota, New Holland, Samsung, Sany, Sumitomo, Sunward, Takeuchi, Volvo, Wacker Neuson, Yanmar, Liebherr and many more.

In addition to manufacturing and fabrication, we also refurbish and repair old excavator, general purpose and front end loader buckets during scheduled service or outings.

Enjoy benefits of doing business with us:

- Manufacturing to any customer required specifications such as capacity and size
- Strong and durable construction that withstands robust and harsh working conditions
- Use of high-quality raw materials
- Guaranteed fast turnaround time for both new construction and refurbishments
